**Note 1:** The process of endorsing a CW/Phone WAZ Award has been discontinued. The old CW/Phone WAZ Award has been renamed MIXED Mode WAZ. The existing CW/Phone WAZ award numbering sequence has been discontinued in support of this change.

**Note 2:** This WAZ award is designed to encourage activity and experimentation using any of the digital modes available to amateurs. The list includes, but is not limited to, PSK-31, AMTOR, PACTOR, and Spread Spectrum. QSL cards must indicate the specific mode used for the QSO. RTTY does not count for this award, as it has its own award. This award will not be endorsed for any specific digital mode. You may elect to use a single digital mode or different digital modes in working toward this WAZ award.

**Note 3:** The 160 Meter WAZ Award requires that the applicant submit QSL cards from at least 30 zones. Endorsement stickers are issued at the 36, 37, 38, 39, and 40 zone levels.

**Note 4:** The Satellite and 6 Meter WAZ Award requires that the applicant submit QSL cards from at least 25 zones. Endorsement stickers are issued at 30, 35, 36, 37, 38, 39 and 40 zone levels. Satellite and EME Awards are not band specific, you may apply QSO's from multiple bands.

**Processing Fees:** Fees may be paid in one of 5 ways: **(1)** U.S. currency; **(2)** Cashiers Check or Money Order (U.S. or Canadian Banks only – U. S. Funds only); **(3)** Bank Draft (U. S. or Canadian Banks only – U. S. Funds only); **(4)** Personal Checks (drawn on U. S. Banks only) **made out to John Bergman** (not to WAZ Award Manager, or CQ magazine); or **(5)** IRC's accepted at an exchange rate of \$1.00 U.S. per IRC.
