

# Announcing:

## 2013 Nominations Open for the CQ Amateur Radio, DX, and Contest Halls of Fame

Each year CQ recognizes those who have made significant contributions to amateur radio in general, and to DXing and contesting in particular, creating three categories of awards. Nominations are now open and will close on **March 1, 2013 for all three Halls of Fame.**

### CQ Amateur Radio Hall of Fame

Amateur radio operators have been responsible for many advances in communications technology, and entire industries have been built on the foundation of amateur radio experimentation and activity. In an effort to recognize outstanding amateurs and their achievements, and help the public appreciate the far-reaching and long-standing value of amateur radio in our society, we have established the CQ Amateur Radio Hall of Fame. Nominations for the 2013 "class" are now open.

The CQ Amateur Radio Hall of Fame honors those whose technical or other accomplishments have helped propel amateur radio forward, or whose achievements in other areas of life have helped improve ham radio's reputation simply through association. Nominees for the CQ Amateur Radio Hall of Fame will be judged on the basis of qualifying in one of two broad areas: those individuals—whether licensed amateurs or not—who have made significant contributions to the amateur radio hobby; and those radio amateurs who have made significant contributions to society in general. Nominees must have made significant contributions of nationwide or worldwide impact.

In order to be consistent with the nomination deadline for the CQ Contest and DX Halls of Fame, the nomination deadline for the CQ Amateur Radio Hall of Fame is March 1. Nominations received after that date will be considered for future selection. Nominations for the Amateur Radio Hall of Fame may be made by clubs, organizations, or individuals. State your candidate's name, where to contact him/her if still living, for which category you are nominating him/her, and a brief one- to two-paragraph description of this person's accomplishments. Please include your name and contact information as well. E-mail to

<hall-of-fame@cq-amateur-radio.com> or mail to CQ Amateur Radio Hall of Fame, 25 Newbridge Rd., Hicksville, NY 11801. The official nomination form is on the CQ website <www.cq-amateur-radio.com>. If you feel someone has earned this recognition, please submit a nomination. Please *don't* assume that someone else will nominate the person you may have in mind.

We will announce this year's selections at the Dayton Hamvention® in May 2013. Please help us recognize these "ham radio heroes" whose contributions have helped shape our hobby, our nation, or our world.

### CQ DX and Contest Halls of Fame

Nominations for the CQ DX Hall of Fame and the CQ Contest Hall of Fame recognize those amateurs who have made

major contributions to DXing and contesting, respectively. The activities and accomplishments that qualify one for membership in these elite groups involve considerable personal sacrifice and can usually be described by the phrase "above and beyond the call of duty." Nominations for the Contest and DX Halls of Fame are made **by contesting or DX clubs or national organizations**, and must be submitted by **March 1** of each year to be considered.

A maximum of two (2) people may be inducted into each hall of fame (DX and contest) each year. Nominations for the CQ Contest and DX Halls of Fame should be directed to CQ (Contest or DX) Hall of Fame, c/o CQ Communications Inc., 25 Newbridge Rd., Hicksville, NY 11801; or via e-mail to <hall-of-fame@cq-amateur-radio.com>. Please specify to which hall of fame the nomination is submitted.

**NEW! NEW! NEW!**

We stock the new rugged FREESCALE 1KW transistor and parts for the 2M and 88-108MHz amplifier designs.

**HF Amplifiers**  
We stock the complete parts list and PC boards for the Motorola amplifier designs featured in their Application Notes and Engineering Bulletins

AN779L (20W)	AN758 (300W)
AN779H (20W)	AR305 (300W)
AN762 (140W)	AR313 (300W)
EB63A (140W)	EB104 (600W)
EB27A (300W)	AR347 (1000W)

**HF Broadband RF Transformers**  
2 to 30MHz

**RF Transformers Type "U"**  
2 to 300MHz

**HF Power Splitter / Combiners**  
2 to 30MHz

<b>2 Port</b>	PSC-2L	600W	PEP
	PSC-2H	1000W	PEP
<b>4 Port</b>	PSC-4L	1200W	PEP
	PSC-4H	2000W	PEP
	PSC-4HS	5000W	PEP
