The LA4HIA Version of the ON4WW Ultimate Beverage Switchbox

↑ Photo F— Inside the LA4HIA switchbox.

The following is a supplement to the article, "The ON4WW Ultimate Beverage Switchbox," by Luc Smet, ON5UK, in the July 2012 issue of CQ magazine. Copyright 2012 CQ Communications, Inc. - All rights reserved.

Rune Hansen, LA4HIA, requested a version of the ON4WW Beverage antenna switchbox to meet the needs of his station. Building it required some modifications to the parts and the circuit (described in the main article). Following are Photos F and G, showing different views of the LA4HIA version, as well as Figure 5, the schematic.

← Photo G— The LA4HIA version ready for use.
