We agree to pay for this advertising according to the rate schedule and terms of this advertising rate sheet. If we use more insertions than listed above within the contract year, we may be entitled to a rebate to a lower earned rate for all space run within that year.

If an advertising agency is employed to prepare and purchase advertising on our behalf, final responsibility for payment to CQ Communications, Inc. remains with us as advertisers, regardless of whether payment has been made to the agency. Payment for advertising is considered to be made only when that payment has been received by CQ Communications, Inc.

This contract may be cancelled by either party at any time on 30 days written notice. In the event of cancellation, we agree to pay the difference between the rates charged and the rates actually earned, using the rate schedule on this card.

We agree that if we fail to furnish the Publisher with acceptable advertising material by the issue deadlines noted elsewhere, the Publisher may at his option supply copy or repeat our last run advertisement.

The advertiser agrees to indemnify and protect the Publisher from any claims or actions based upon the unauthorized use of any person's name or photograph or use of any sketch, map, words, labels, trademarks, or other copyrighted matter, or based upon libelous statements in connection with the advertising referred to in this contract.
